We are pleased to inform you that we releasing the reporting formats **CTR for Banks and Casinos, NTR for Banks, PTR for Property Registrars** from 10.06.2022 in test mode on FINGATE 2.0 portal (<https://www.fingate.gov.in>). The following functionalities are being released for the above reports:

1. Uploading source data- fresh or incremental in CSV format.
2. View and correct errors in the upload source data files.
3. Batch creation from uploaded source data.
4. Web filing.
5. Submit batch.
6. Add more reports to an existing batch.
7. Recall submitted reports before processing.

The user manual and resources related to these reports are available at FIU INDIA website (<https://fiuindia.gov.in/files/misc/finnet2.html>). The courses on filing the above reports are being released on the Learning Management System website (Pragyavardhanam) of FIU INDIA. (<https://lms.fiuindia.gov.in>).

Some changes pertaining to registration module such as *pro-active enrolment, forgot password, change password, profile update, addition of Principal Officer by Designated Director, changing Non PO role to PO role* have also been added. **The Reporting Entities who have not completed their registration on FINGate 2.0 portal are advised to complete the same at the earliest.**

Please note:

1. The Reporting Entities (REs) for whom the above reports are applicable can start filing their test reports and align their systems or processes to ensure smooth transition once the FINNET 2.0 system goes Live and functional.
2. FIU-IND will be launching the other Reports in test mode on the FINGate 2.0 portal shortly.
3. Since the report submission module is being released on test mode, **you must continue to use the existing FINnet Gateway portal to submit reports as usual till further intimation from FIU INDIA.**
