## 1) Introduction

FIU LMS is developed on the world's most popular and most used learning management system. The FIU LMS has been developed considering the training needs of Financial Intelligence Unit staff. The platform is a user-friendly eLearning platform to serves the learning and training needs of all the organizations.

This user guide is designed to provide documentation for people who will use FIU-LMS on a day-to-day basis. This document is designed to be read by any user of FIU-LMS, as most users will have access to the features documented here.

#### 1.1 Purpose

This document is the User Manual of the Financial Intelligence Unit – Learning Management System (FIU-LMS)

It is intended to provide all the necessary information to use this web application for the end users – who are the staffs of FIU. The manual assumes that the reader has a decent knowledge of using the computer.

This user manual is categorized in 3 sections:

- 1) User login
- 2) Dashboard
- 3) Course

#### Version 1

## 2) User Account and Login

## 2.1. User Login

A user or learner can login successfully in the LMS portal only if:

- Admin has created an account for the user as learner.
- User must have received email & password after getting account created by Admin User must be logged as Admin role

#### Steps

- Open the website and look for the credentials.
- Enter Username, Password & Captcha as mentioned in the login screen.
- Hit the "Submit" button highlighted in blue color in below figure to login the portal as a learner role (as shown in Figure 2.1-1 below)

## 3) Dashboard View

After login, a learner is taken to the dashboard which has few sections

- Badges earned
- Course Overview quick summary of enrolled courses
- My Learning Summary the progress report of completed vs. In progress
- Recently Accessed Courses
- Calendar
- Timeline
- Leader board

## 3.1. Left navigation panel - opened

The image shown below in figure 3.1-1 show the dashboard will look like when left

navigation panel is opened. As shown in figure 3.1-1, click on the hamburger menu ( $\equiv$ ). Clicking this will toggle (hide) the navigation panel.

#### 4.6.7 Discussion Forum

After completion of all activity's learners can move go to discussion forum as shown in figure 4.6.7-1

User can create discussion form on which they want to discuss by following steps. As shown in below figure

- Go to "Course"
- Click on forum box text
- Click on discussion forum
- Click on link to Add new discussion topic
- Fill details of topic
